

FREE RETURN APPROVAL APPLICATION

(to be used on the same mare in accordance with Stud Book Regulation 13)

Approval is only required for each free return if that sire has reached their 150 Australian mares served limit.

If a free return is part of the 150 total, approval is not required.

This application must be submitted and approved by Harness Racing Australia PRIOR to any free return service being conducted when the 150 AU sire limit is reached.

Mares with outstanding service outcomes "no returns" or incomplete breeding records are ineligible for approval. It is the obligation of the connections to ensure any changes to their horse's status are notified to the relevant State Controlling Body.
